Life at Newberry High School during 1952-1953 included a variety of activities—some days were fun, some not so pleasant—some were hard, others almost easy—Everything we did, in classes, on the campus, in our activities, helped to make our school life complete.

Like the pieces of a jig-saw puzzle—each part is different, yet all parts fit together to form the complete picture.

Alma Mater

Dear Alma Mater,
Thy children praises sing!
Through vale and woodland,
Our voices loudly ring.
Lift high the chorus;
May loyalty never fail.
Pride of our city,
Dear High School, all hail!

Though years may beckon
Our future lives from thee,
Our hearts will echo
With precious loyalty.
Dear Alma Mater,
God bless thee every day
And keep thee noble,
Dear High School, always!

In this volumn of the *Oracle*, we will endeavor to show all the little parts that went to make up this year in our school . . . with your help we will assemble them to make the picture complete for our memories.

Class History

Many, many years ago, way back in the Stone Age, there entered into the public schools a little clan of people who were to become the famous N. H. S. class of '53. Far be it from us then even to dream of the events that would take place within the next twelve years. Twelve years . . . gee whiz . . . did anyone ever live that long? It seemed like an eon to us then, but we found that the rapid pace we kept soon consumed the years.

The fine old institutions that first held us were Boundary Street, Speers Street, Mollohon, Oakland, and West End grammar schools. Oh, for the carefree days of the wee grades!! But we were real big "school men" then . . . and we quickly learned how to read and get a logical sum of five plus eight, although some of us haven't quite yet learned how to write (legibly, that is).

Then came the day that we met all of our new brothers . . . we had at last pulled through the *hard* fifth grade and were now members of the great big Junior High School!

Ah, yes. The sixth and seventh grades were very important steps in our young and eager lives. We had our first taste of geography, and some of us were shot for the first time with the sweet-tipped arrow of friend Cupid. We also did our first class changing here, too. We were real big wheels running all over that building . . . but soon came the day that we were to leave Junior Hi . . . it was then that little Mary Lee Hutto and Tommy Folk received the Scholarship Award, while Tommy and Jackie Clarkson received the Citizenship Medals. Then came the day of days . . . we saw before us the doors of paradise, or in more simpler terms, the "Entrance" to Newberry High School!

September, 1948 was our great beginning . . . but what a shade of scarlet we turned when we walked into the wrong classrooms . . . would we ever learn? How old those huge *juniors* and *seniors* looked! My, they were so sophisticated and worldly wise . . . just think, some day we too would be up there . . .

The eighth grade gave us a smithering of politics . . . we elected Mary Lee for our president and soon learned all about Student Council . . . along with many other ironclad rules; such as study halls were not circuses after all, locker doors were to be shut and not heard, and the seventh period was from 2:00 to 2:30! Both boys and girls found a new experience in the physical training classes . . . (this was supposed to be a class?) We elected a beauty for the first time that year . . . it was, of course, sweet Ruth Amis . . . one of our favorite beauties. Well, anyway, that first glorious year soon gave out, and in less time than we realized, we were . . .

Freshmen in N. H. S. "Little fish in a big pond," they called us . . . again we used our political powers and Jackie Clarkson was elected president of the class . . . in this great year of 1950, some of the world's greatest writers began to blossom. We joined the Cordial staff . . . little did "Jake Penland" Stokes then realize that he would one day be the big sports writer for the great newspaper, or did Alice Carter even dream of editing the whole thing! A few of the more intelligent ones also could be found in third period Latin class at this time. "Look, Ma, I can speak a foreign language!" The girls even learned how to sew. They made some beautiful pajamas that they never would wear . . . (of course, they fell apart, but that's immaterial) . . . and some of the expert carpenters came home dragging some odd looking pieces of furniture (?), and varied things, wonderfully made by their own unskilled little hands . . . Again, we selected a beauty . . . this time it was friendly, sweet Barbara Darby . . . but as all things do, the ninth grade had to end sometime, and ours did just that . . . the summer that followed held high adventure for us, though. For many it was the first experience of a house party at the beach . . . J. H. A. camp . . . wasn't it just wonderful?

In September of 1950, we veterans of high school life entered again the doors of dear old N. H. S. as Sophomores! We were really big time operators, now, because we could look down to people . . . the Sub-freshmen! Being grown up was rather nice, wasn't it? Anyway, the boys won this year, and Tommy Folk reigned as president of the tenth grade. This year we were given a chance to be represented by two beauties . . . Jewel and Harriett. Bravely we continued through Latin and algebra and somehow learned to cook a decent meal. By some hook or crook that year passed with flying colors . . . well, colors, anyway . . . the year ended pretty wonderfully because so many of the gals got invites to their first Junior-Senior dance! To top that, some of the boys even learned how to dance, and did so in public, too! Ah, yes, they were becoming MEN!

1951-52 was big time for us . . . now we were Juniors, "Rocks" we called ourselves . . . we really got into things this year . . . Molly Fennell planted herself in Student Council as second vice-president, and Tommy was again president of the class. The football team was GREAT this year. To the Paper Bowl we went! We didn't quite win that game, but it was wonderful because the team had had such a victorious season . . . Hollis, Jimmy Lee, and Beck did some fine showing, too . . . we are mighty proud of our boys!

Being eleventh graders, we were getting into "higher education," or at least we thought so, just look . . . us speaking French and Spanish . . . (at least we thought we were!) Get a load of that geometry . . . brains, we were . . . remember when Wyman made one hundred on his exam? Some have got it, some "ain't" . . . we were loaded!

The year seemed to go unusually fast . . . in the '52 Oracle we boasted of two beauties for the second time . . . and again they were Harriett and Jewel . . . We climaxed the year with a gala Stunt Night! By all means, don't forget the "Gangster" scene . . . oh, yes, we'll be sure to remember the new friends we made when we had the Kingstree group visit us as guests of the Exchange Club . . . At last came the Junior-Senior, and now we could all attend . . . that's what 'cha call living, huh? It was a fine year, but we were very anxious for our last lap . . . so . . . time passed on . . . and . . .

The Class of 1953! . . . the beginning of the end . . . the goal had been reached, now we were Seniors . . . sophisticated Seniors . . . this past year has brought many changes to us. We have lost some friends, but have also gained many. We were all very sorry to hear that our old pal Charles Lovett was taken from us. Charlie left us from the ninth grade and moved to Summerville, and we will always remember his smiling personality . . .

During our course in dear old N. H. S. we found among us new faces, though. Jo Anne Ennis joined us when we were lil' freshmen, and in the eleventh grade Faye Pitts came to Newberry. Then this year we had two new men, Marion Hoffmeyer and Pat Herndon. "Hoffy" is still with us and we certainly have become attached to him, but we were disappointed when Pat told us that he was moving back to Myrtle Beach. He's still on our list though, and no doubt we'll see him this summer.

There were some important elections . . . Molly was again in politics as Student Council president . . . Mary Lee, as first vice-president. Then Harriett was honored by being elected as Miss Th Miss . . . Ruth became the D. A. R. representative.

We have also learned who can work and who can't! There was really a lot of that done during the year in order for that Washington trip . . . we won't forget the furniture polish and the rummage sales. Thanks to Marcia for keeping it all in check. She surely has done a top job of being president of our class . . . we won't forget you, Marcia.

Being a Senior certainly has many joys, as well as a few not so joyful events . . . Homecoming was one of the happy occasions . . . with no one knowing who the queen would be. At half-time ceremonies Norman crowned Harriett queen, while Molly, Jewel, Marcia, and Faye were attendants. We were really on the top of the world December 1, when we got our class rings . . . ah, yes, and for the last time, the "Senior Brains" prepared for the Beta convention. Ophelia, Faye Wertz, Marcia, Dot Laird, Mary Sue, Kitty, Peggy S. . . . were a few of the gals that had a super time, and Thomas Jenkins, Louis S., Bobby Chandler, and Roy Schumpert did all right, too, didn't they? Yes, sir, there's nothing like a convention to raise th' spirits!

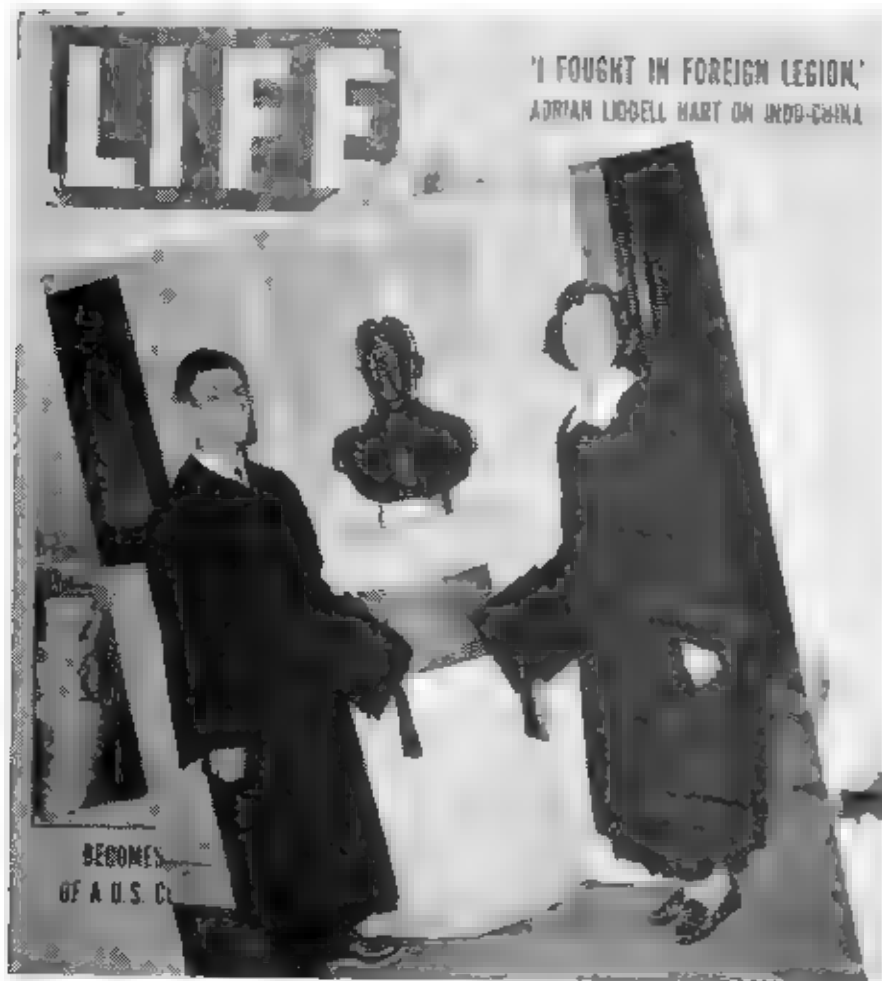

Of course there are always a few who decide to leave us and go away to college . . . Jackie and Margaret Ann departed from us and went many miles . . . we surely have missed them . . . but we hope they have been having as much fun as we have this past session . . . Naturally there are a few name changings . . . Lib Warren did just that awhile back, and now she won't answer unless you say Mrs. Holsonback! Then all through the year, most of the girls envied Virginia Oxner, Barbara Darby, Betty B., Fern, June and Ella Rae . . . these tormented us by flashing their engagement rings around . . . well, just give the others time, you all!

The basketball season could have been better, but we have no regrets . . . Molly, Peggy Sue, "Sligh", and the rest seemed to have thoroughly enjoyed having played . . . and Jake Arthur, Larry, Tony, Norman, Andral, and Charles Rister, and all of the "Male Five" had a real good time fighting it out on the hardwood. We haven't forgotten to mention what fine managers we had . . . Rosann and Robert Berry . . . the teams couldn't get along without help like that.

This year we were top stuff having six beauties elected from our class . . . Barbara, Ruth, Jewel, Molly, Marcia, and Harriett . . . their pictures being sent to Hollywood for a decision from Dale. You'll find his choice in our Feature Section.

Yes, Kids . . . it's really been a full five years of high school life . . . hasn't it? . . . some of us have been in a hustle to get out of here . . . but when we stop to think about it, well, it would be nice to hang around for awhile longer . . . anyway, we have to keep moving on . . . the invitations go out . . . the loot comes in . . . and the last mile is walked . . . down the center aisle we march. Then one morning we wake up and it's time for the trip to Washington. It is then we realize that we are graduates of Newberry High School! So, as we said before—time marches on—and we continue on our separate ways, but we will all always be held together by our memories of our Alma Mater. Our last friendships and happy times will never be forgotten, and we'll always remember the "Good Old Days."

By Susan.

County of Newberry
State of South Carolina

We, the senior class of Newberry High School of the year 1953, being in sound mind and generous nature, do hereby declare that the following bequests are made in honor and admiration of our fellow students, and that we wish to leave what we have to the most needy.

Of the wordly goods and characteristics which we possess, we dispose of in the following manner:

ARTICLE I: We, Kenneth Stokes, Wyman Shealy, Bobby Chandler leave our job in the canteen to anybody that's hungry enough for it.

ARTICLE II: We, Faye Pitts, Harriett Dickert, Jimmy Britt, David Bishop, and Ray Sanders leave our skill on the hardwood floor to Jean Spotts, Norma Wessinger, Kay Dominick, Gene Griffith, and Jerry Summer.

ARTICLE III: I, Kitty Mae Suit, will my Southern drawl to Barbara Wilson.

ARTICLE IV: To Molly Partridge, we, Alice Carter and Susan Summer, bequeath our vivacious eyes and radiant smiles to be used only on college boys; our penmanship to the willing hardworkers on the Cordial staff.

ARTICLE V: I, Andral Faris, leave my Model A to anybody that's willing to push it.

ARTICLE VI: We, Norman Beck, Jimmy Harmon, Charles Rister, and Ernest Stallings, leave two shotguns, thirty-seven used shells, three disappointed bird-dogs, and the best of luck to any poor soul who is foolish enough to stomp those cold fields all day in pursuit of the game missed.

ARTICLE VII: To Claudette Kneece, we, Tommy Folk, Fave Wertz, Dot Laird, Mary Sue Ruff, and Thomas Jenkins, leave our literary talents.

ARTICLE VIII: We, Jerry Baker, Tony Chapman, Larry Harmon, and Maxcy Mullinax, leave our ability to get along with teachers to Harry Summer, Eddie Hopper, Ralph Gilliam, and Joe Chappell.

ARTICLE IX: To Jimmy Wood, Chve Hurt, and George Willis, we, Jake Arthur, Bobby Shealy, Wallace Ruff, and Bobby Hamby, will our "finger waves" and "duck tails".

ARTICLE X: We, Jimmy Rinehart, Willie Vernon Matthews, and Charles Chappell, will our empty gas tanks to Billy Vanderford, Bubber Hutto, and "Puny" Clark.

ARTICLE XI: I, Peggy Shealy, leave to Frank Britt my ability to be a teacher's pet.

ARTICLE XII: We, Rica Hart, Joann DeYoung, Patsy Padgett, and Ruth Smith, leave our coke bottle shapes to Annette Young, Shirley Cromer, Helen Ringer, and Jackie Goldsmith.

ARTICLE XIII: We, Barbara Darby, Peggy Cockrell, Bonita Franklin, leave our quiet beauty and

knack for looking like a model to Frances Hayes, Joyce Pruitt, and Nancy Stone.

ARTICLE XIV: We, Johnny Ochiltree, Murray Rikard, Ralph Neal, Ophelia Miller, and Dolly Caldwell, will our sweetness to anyone that needs (?) it.

ARTICLE XV: I, Ruth Amis, leave one well-used Kodak, 13 flash bulbs, and 1 roll of film to the future photograph editor of The Oracle.

ARTICLE XVI: We, Rosann Carlton, Peggy Sue Price, Ann Mills, Hollis Harmon, and Robert Berry, leave our wise cracks, slang expressions, and bright remarks to all quiet under classmen.

ARTICLE XVII: We, Dawkins Dennis, Marion Hoffmeyer, and James Lusk, will our handsomeness to Jack McCullough, Hodge Harmon, and Kenneth Willingham.

ARTICLE XVIII: We, Roy Schumpert, Ella Rae Kyzer, and Fay Dubose, leave to Elizabeth Earhardt, Betty Leavell, and "Rusty" Harley our ability to look up at everybody.

ARTICLE XIX: To Emma Minjck, Ann Campbell, and George Lipscomb, we, Frances Ann Sligh, Marthanne Bouknight, and Guy Longshore, leave our ability to look down at everybody.

ARTICLE XX: I, Molly Fennell, leave my "Big Stick" (gavel) to the next fortunate person who receives the honor of a lifetime.

ARTICLE XXI: To the unknown character, I, Mary Lee Hutto, leave my beloved job as the "big stick" janitor.

ARTICLE XXII: We, Virginia Oxner, Millie Taylor, and June Moore, leave our majestic charms that bring out the gentleman in a boy to Margaret Harmon, Gloria Hawkins, and Carol Ann Baxter.

ARTICLE XXIII: I, Jewel McCarty, leave my athletic ability to Helen Stutts and Louise Sessions.

ARTICLE XXIV: We, Marvourcen Farmer and Elizabeth Holsonback, leave our positions on the searching party to the less fortunate.

ARTICLE XXV: To the people with the "I don't care" attitude, We, Sue Williams, Betty Ann Brigman, Gerald Long, and Louis Shealy, bequeath our industriousness.

ARTICLE XXVI: I, Willie Mae Shealy, leave my red hair (without a hot temper) to Glenda Jones and Mary Thompson.

Committed in the State of South Carolina, the City of Newberry, and the County of Newberry in the year of our Lord, Nineteen Hundred and Fifty-three

Signed, sealed, published, and declared by the graduating class of 1953 as and for its last will and testament in witness whereof.

If you see flashes of light and excited voices yelling, "hold it," don't worry it's not a storm or someone being punished, it's just our little photographers running around. What does it matter if the finished product doesn't look professional, it's still fun to say "Watch the Birdie!"

FOOTBALL

During the rebuilding season of 1952-53, the Bulldogs, hurt immensely by the '52 graduation exercises, managed to tie two games and win one. Although they lost the other eight, they fought every game until the final whistle blew.

The Bulldogs improved steadily, game by game, and by the end of the season they began really to play football.

In the first game, the Bulldogs dropped a hard fought decision to Chester. The next game was different as Frank Buckley scored twice for the Dogs—once on a seventy-yard run and the other on a five-yard plunge. B&L fullback Bandal, however, managed to score two touchdowns and the game ended 12-12. The Bulldogs then traveled to Columbia to take on the Bearcats of Brooklyn-Cavce. Two second-period drives beat the Dogs as they dropped a 12-0 decision. A tremendous Union eleven scored three times on the Bulldogs to win 21-0. Newberry traveled to Laurens for the fifth game, but the Dogs lost 20-6. Frank Buckley scored the Dogs' only T. D. as he plowed over after a long drive.

One of the biggest disappointments of the season was losing to Whitmore 13-7. A very fine squad from York defeated the Bulldogs 19-0 at Setzler Field. The next game found the Bulldogs in Aiken fighting for their first win. Aiken overpowered the Dogs and won 19-6. Pat Herndon scored the Dogs' only touchdown from 13 yards out.

The next game may well be called a disappointment, too, as Clinton spoiled the Bulldogs' homecoming

game in a 7-6 thriller. Pat Herndon scored for the Dogs and Galloway scored for the Red Devils. Deuse converted the all important extra point for Clinton to put the Clinton Red Devils ahead by one point. As it was said before, the Bulldogs improved steadily every game and by the last two games the team looked great. The next to the last moved the Dogs down to Lexington. The Wildcats were favored over the Dogs by 24 points, but the New-

berry boys pulled an upset and tied the Mighty Lexington 7-7. Bennett Shealy scored the T. D. and kicked the extra point for the Bulldogs. The Dogs finally broke into the win column as they defeated a strong Saluda team 14-0. Pat Herndon scored the Bulldogs' first T. D. from 25 yards out. Frank Buckley scored the other on a 39 yard run for the Dogs' final T. D. of the final game. The season ended with one win, 2 ties, and eight losses.

The "Pilot" Paper of Newberry - paper of Newberry, South Carolina.

My dear Sir,

Selection of "new" paper was made of a book than I had intended, for I saw in the list one was that as really in the list. I might add that I saw in the list as three of new and I saw in the list of "Sun Smoke" and not in. I saw in the list the same as in the list - had you seen. I saw in the list the same as in the list - had you seen. I saw in the list the same as in the list - had you seen.
